Part A: Pupil premium strategy plan

Statement of intent

When making decisions about using Pupil Premium funding it is important to consider the context of the school and the subsequent challenges faced. This alongside research conducted by the EEF. Common barriers to learning for disadvantaged children can be: less support at home, weak language and communication skills, lack of confidence and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no “one size fits all”. We will ensure that all teaching staff are involved in the analysis of data and identification of pupils, so that they are fully aware of strengths and weaknesses across the school.

Principles

- We ensure that teaching and learning opportunities meet the needs of all the pupils. We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

Ultimate Objectives

- To narrow the attainment gap between disadvantaged and non-disadvantaged pupils nationally and also within internal school data.
- For all disadvantaged pupils in school to exceed nationally expected progress rates in order to reach Age Related Expectation at the end of Year 6 and thus achieve GCSE's in English and Maths.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Some PP children require support due to their challenging family lives.
2	Some PP children require emotional support, eg. self-esteem & confidence.
3	Some PP children are socially disadvantaged through lack of life & cultural experiences.
4	Less parental engagement with some PP families.
5	Significant Speech, Communication and Language delays
6	Some PP children require early reading and phonics support to achieve in-line with their peers.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
PP children's social & emotional needs are effectively supported in order to lessen the impact on their achievement and achieve in-line with their peers.	Successful completion of the Thrive programme for the children. Resilience & motivation is improved in learning situations.
PP children's family life needs are effectively supported in order to lessen the impact on their achievement and achieve in-line with their peers.	Children are effectively represented at EHA and TAF meetings. Successful targets completed from the Early Help Assessment.
PP children's cultural and life experience needs are effectively supported in order to lessen the impact on their achievement and achieve in-line with their peers.	PP children will be able to access the curriculum at the same level as their peers and there will not be any missed learning due to lack of experiences.
PP children's needs are effectively supported at home in order to lessen the impact on their achievement and achieve in-line with their peers.	Homework completed, attendance at parent meetings, reading records completed and the children more equipped for learning.
Children's speech and language is improved and they achieve in-line with their peers.	Children can communicate more effectively. Children are more able to access the curriculum.
PP children's early reading and phonic needs are effectively supported in order to lessen the impact on their achievement and achieve in-line with their peers.	Children achieve in-line with their peers in reading. Children are more able to access the curriculum.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

<u>EYFS PP Data</u>				
	<u>PGPS</u>		<u>National</u>	
	Non- PP	PP	Non-PP	PP
GLD	65.4	0	70	52.2

2 children in the PP cohort

End of KS1 PP Data (3 children)

	<u>PGPS</u>		<u>National</u>	
	Non-PP	PP	Non-PP	PP
Reading	70	67 (2)	73	54
Writing	67	33 (1)	65	45
Maths	67	67 (2)	75	56
Combined	59	33 (1)	61	40

The three children in the PP cohort have significant Special Educational Needs.

End of KS2 PP Data (5 children)

	<u>PGPS</u>		<u>National</u>	
	Non-PP	PP	Non-PP	PP
Reading	91	80 (4)	78	60
Writing	87	40 (2)	77	58
Maths	78	40 (2)	79	59
Combined	78	40 (2)	66	44
SPAG	78	40 (2)	78	59

Nationally our PP children significantly out-perform PP children in Reading but underperform in all other areas.

One child in the cohort of 5 did not sit the SATs and was a long term school refuser.
